

## *Michelle Heath*

Professional Learning Consultant

Michelle is an experienced Early Childhood Educator and school leader. She has developed her expertise over many years in roles that have incorporated teaching, special education, management, curriculum development and staff training. Michelle has been responsible for the establishment of a Preschool and "Long" Day Care centre as part of a K-12 College and has had a focus on integrating and aligning curricular initiatives within existing practices. Her special interests are in establishing educational environments, Nature Play, staff training and quality improvement of practice.
