

Vin Healy

Professional Learning Consultant

Vin has worked in a variety of educational settings in both Catholic and International schools. His roles have included Learning and Teaching leader, International Baccalaureate's PYP Coordinator and Deputy Principal in a variety of settings, and the role of Principal.

Vin is passionate about quality learning and teaching and supporting the next generation of teachers as they develop their own craft to enhance the learning progress of the students in their care. He has a particular interest in the promotion of student agency in learning and that every learner can meet with success and contribute to the world around them.
